

TRX COMMERCIAL PRODUCTS

TRX® BANDIT®

Eliminate pinching, pulling, and slipping during strength band workouts with the TRX Bandit. Patented, universal-grip handles slide over your strength bands, giving you more comfort and better control. Vary your movements, maximize your reps, and see real results with this no-weight strength training solution.

Product features: Universal-fit handle, textured rubber grip and slip-free notches for safety.

TRX Products are covered under a superior quality warranty. Additional warranty details are included at trxtraining.com/pages/warranty
