

TRX COMMERCIAL PRODUCTS

TRX® RIP TRAINER™

SKU #: TRXRIPI-PACK

Unlock core strength like never before. The TRX Rip Trainer is your one-stop solution for rotational power, spine health, and 360-degree core conditioning. Ideal for bat, club, or racquet sport training, the Rip Trainer lets you move in any direction to target abs, obliques, backs, and hips while enhancing speed, agility, and balance.

Product Features:

- Steel core breaks down for compact storage.
- Premium rubber handles for non-slip grip.
- Industrial-strength carabiner for anchoring.
- Comes with a Medium resistance cord.

Lite to XX Heavy resistance cords sold separately. TRX Products are covered under a superior quality warranty. Additional warranty details are included at trxtraining.com/pages/warranty
