

TRX COMMERCIAL PRODUCTS

TRX® HORIZONTAL RACKS

Store all of your weights and functional training tools - from YBells to Slam Balls - on TRX Horizontal Racks. These sturdy, commercial-grade steel racks feature three rubber-padded shelves with rounded front edges. Choose between two shelf lengths: Short Horizontal Racks hold a minimum of 12 YBells, while Long Horizontal Racks hold a minimum of 18 YBells.

YBells, Powerbags and Slam Balls sold separately. Ask us about bundling options.

TRX Products are covered under a superior quality warranty. Additional warranty details are included at trxtraining.com/pages/warranty
