# TRX® STUDIO LINE LANDMINE ATTACHMENT

## SKU #: SL37-LANDMINE-35

Press, squat, row, and rotate your way to unbeatable core strength with the TRX Studio Line Landmine Attachment. Designed to affix to the Studio Line Single Post, Corner Unit, or any of the Studio Line Bays, the Landmine anchors one end of a barbell for arc-like exercises that mimic natural movement patterns. It doesn't get more functional than this.

*Barbell not included. Do not use unless securely attached to a Studio Line Bay, Single Post, or Corner Unit. TRX Products are covered under a superior quality warranty. Additional warranty details are included at [trxtraining.com/pages/warranty](https://trxtraining.com/pages/warranty)*
