

TRX COMMERCIAL PRODUCTS

TRX® YBELL® SINGLE VERTICAL RACK

Store up to 10 YBells on the compact, space-saving TRX Single Vertical Rack. Heavy duty steel construction and bicycle hook storage arms keep your YBells safe, tidy, and easily accessible during workouts. Ideal for both home and commercial use. Holds any YBell Arc or Neo Series from 2.5 kg (5.5 lbs) up to 12 kg (26 lbs).

YBells sold separately. Load heaviest YBells on the bottom. Ask us about bundling options.

TRX Products are covered under a superior quality warranty. Additional warranty details are included at trxtraining.com/pages/warranty
